

# Help Heartland Get Free Cat Litter!

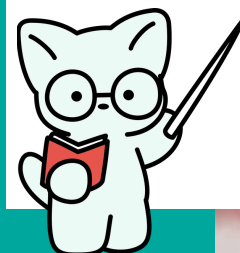

Heartland cats  
use about 4,000  
pounds of litter  
every month.

That's why we're participating in the **Cat's Pride Litter for Good** program, which donates free litter to shelters. Last year, Cat's Pride donated nearly 5 million pounds of litter.

## Cat parent?

Every jug of Cat's Pride litter purchased results in one pound of litter donated to animal welfare organizations.
